1. This Office action is in response to the amendment dated October 19, 2004. Claims 17-30 and 32-43 are pending. Claims 1 and 32 have been amended as requested. The remarks have been considered.

2. Claims 17-30 and 32-43 are allowed.

The following is an examiner's statement of reasons for allowance: the claims recite a communication system where the transmission devices are placed in reference planes to ensure that the distances between communication devices are substantially constant. Thus, the devices do not have to be "tuned." Such a limitation is not taught or suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
